LOTTIE Candle by Alexandra Gater

\$52.00

Named after Lottie the cat (a cotton ball with four legs), this scent transforms everyday moments into special occasions. On top, Bergamot offers a sweet and sunny snack, with a hint of spice. Pink Grapefruit provides a bright and playful middle note. Warm Vanilla grounds the scent with a familiar comfort. Did we just describe a cat? LOTTIE will only get cozier with time.

Hand-poured and crafted with natural ingredients to enhance your space without any of the bad stuff. Once the candle is finished, re-use the glass container to hold fresh flowers, cotton balls, and other things.
